

ROOSTER FEST 2024

Dear Members, Sponsors, Friends,

The Fox River Valley Chapter of Pheasants Forever would like to extend to you a personal invitation to join us at this year's Rooster Fest, which will be held on March 22nd, 2024 at the Oshkosh Convention Center in downtown Oshkosh! This truly will be a celebration of friends for a common cause; HABITAT! The evening will be filled with camaraderie and plenty of fun!

Listening to our membership, we continue to strive to bring you the best banquet around. We work hard to improve our banquet, using suggestions made by you, our members. Our banquet has grown each year so that we now find it necessary to limit banquet attendance to the first 350 guests registering for the event. This will insure we bring you the high quality event you have become accustomed to.

Last year's banquet was a sell out so get your tickets early!

Highlights for the 2024 Rooster Fest include:

- Unique **I WIN** number system. You only need to remember **ONE** number, and use this number for admission, door prizes, live and silent auctions, plus bucket and board raffles. Use your unique **I WIN** number, and you're insured of being awarded your prize! Need not be present to win!
- Rapid Fire Raffle Winners will process quickly with little delay through use of the **I WIN** number.
- Have a Question? Idea? Suggestion? You only need to see our "Banquet Czar" Ryan Seeley, who will be readily available throughout the evening.
- More Guns! Board Guns! Quickie Guns! New Games!
- Limited Edition prints & lots of EXCITING prizes and FUN games.

All funds raised (just like all Pheasants Forever-FRVC events), remain here in the Valley (except National Membership Dues). This means **YOU** and the local pheasant population, benefit directly and guarantees that donations are being spent based on local input. PF is a non-profit organization and all the workers you see here are volunteers, generously donating their time and energy to our worthy cause.

Have a question? Reach out to our Banquet Chairperson anytime:

With your support, we will continue to make a difference for wildlife & habitat in the Fox Valley Area.

See you there,
